

**CONFIDENTIAL INFRINGEMENT SEARCH REQUEST FORM CONFIDENTIAL**

**CONFIDENTIAL DISCLOSURE** All invention information disclosed to Kevin Weldon shall be for the sole purpose of performing a U.S. Patent and U.S. Patent Application Publication infringement search. All information disclosed to Kevin Weldon shall not be disclosed in any way or any form to third parties without authorization by the inventor. Further, Kevin Weldon as a Registered Patent Attorney before the US Patent Office is legally bound by Title 37 CFR §10.57 to strictly maintain confidentiality of all information contained in any disclosures submitted to Kevin Weldon by persons or companies.

- \* consultation with Kevin Weldon as needed;
- \* a search at the US Patent Office of U.S. Patents and U.S. Patent Application Publications by Kevin Weldon;
- \* a search report by Kevin Weldon, listing the U.S. patent class/subclasses searched and a list of the unexpired U.S. Patents and U.S. Patent Application Publications having the most relevant claim(s) to the invention idea, and the status of the listed U.S. Patents maintenance fee payments, no infringement opinion is included;
- \* copies of U.S. Patents and U.S. Patent Application Publications considered to include at least one relevant claim to your invention idea;
- \* completion of the above in at least 18 business days.

Please use this form to submit your infringement search request or submit your own invention description and clearly identify it as an infringement search request. If you submit your own invention description papers, be sure to include all of the contact and invention information requested in this form, as best as you may. Upon completion of your invention disclosure, please mail this form and any attachments to either address shown at the end of this form along with the proper initial minimum payment of one thousand dollars (\$1,000.00). Payable to Kevin Weldon.

Describe the problem solved by your invention:

**CONFIDENTIAL** INFRINGEMENT SEARCH REQUEST FORM **CONFIDENTIAL**

Provide a detailed description of the invention that you may place into commerce or use in industry:

Differences and/or advantages over prior inventions:

Attach any drawings, sketches, related patents and/or other documents helpful in describing the invention.

Mail your infringement search request and payment to either:

Kevin Weldon, Attorney at Law  
30 Timber Trail Drive  
Greensburg, PA 15601

Kevin Weldon, Attorney at Law  
5935 Westchester Street  
Alexandria, VA 22310

Upon receipt of this INFRINGEMENT SEARCH REQUEST FORM, Kevin Weldon will promptly contact the requestor and offer to perform the search for a reasonable price. If an agreement on price is reached, upon receipt of payment of the agreed price Kevin Weldon shall perform the search according to the terms set forth herein. If agreement on price is not reached Kevin Weldon shall promptly return requestor's initial payment of one thousand dollars (\$1,000.00) and all other papers submitted to Kevin Weldon by requestor, including but not limited to an infringement search request form.
