

**CONFIDENTIAL RIGHT-TO-USE SEARCH REQUEST FORM CONFIDENTIAL**

**CONFIDENTIAL DISCLOSURE** All invention information disclosed to Kevin Weldon shall be for the sole purpose of performing a right-to-use search. All information disclosed to Kevin Weldon shall not be disclosed in any way or any form to third parties without authorization by the inventor. Further, Kevin Weldon as a Registered Patent Attorney before the US Patent Office is legally bound by Title 37 CFR section 10.57 to strictly maintain confidentiality of all information contained in invention disclosures submitted to Kevin Weldon by persons.

- \* consultation with Kevin Weldon as needed;
- \* an in depth search to determine whether an invention idea is in the public domain by conducting a search for "grandfather" prior art, that is prior art having a date of publication at least seventeen (17) years before the date a new product is anticipated to be manufactured;
- \* a search report by Kevin Weldon, listing the U.S. patent class/subclasses searched and a list of the most relevant "grandfather" prior art;
- \* copies of the "grandfather" prior art most relevant to your invention idea and closest copy of your invention;
- \* completion of the above in at least 12 business days.

Please use this form to submit your right-to-use search request or submit your own invention description and clearly identify it as a right-to-use search request. If you submit your own invention description papers, be sure to include in such papers all of the contact and invention information requested in this form, as best you may. Upon completion of your right-to-use search request, please mail this request form and any attachments to either address shown at the end of this form along with an initial minimum payment of one thousand dollars (\$1,000.00). Payable to Kevin Weldon.
